# Welcome to The Piping Bag Company

The Piping Bag Company is South Africa's leading **manufacturer and supplier** of premium, top-of-the-range baking supplies, specializing in the production of **superior quality piping bags**.

With **over 20 years of experience** in the fast-moving consumer goods (FMCG) and baking industry, we take immense pride in our commitment to local manufacturing, ensuring you receive products that meet the highest standards of quality and durability.

Business Hours Mon-Fri 08h00 to 16h30. Closed on weekends.

## Our Signature Piping Bags: Quality You Can Trust

Our locally manufactured piping bags are designed for professional use and stand apart from imported alternatives.

- **Superior Quality:** Our bags are made from a **significantly thicker, higher-grade material** compared to most imported products on the market. This ensures strength, reliability, and less waste.
- **Best Sellers:** The **Medium, Large, and Jumbo bags** are consistently our fastest-moving items. We recommend prioritizing these sizes when planning your stock levels to meet customer demand.
